

IC-7700 Expand Mods

Expand 40 meters

To Expand the 40m band on the IC-7700, add diodes D52 and D56 to the LOGIC UNIT as shown in the image.

Do this at your own risk.

*Remember it is illegal to transmit out of band. This Modification is for Informational purposes ONLY.
Doing such modifications on your radio may void any warranty and damage your equipment.
All mods found on this database are offered to me by other amateur radio hams or captured by Packet system.
KB2LJJ take no responsibility or liability for any damage done resulting from any modification.*

ATTENTION

The KB2LJJ takes no responsibility for any damage during the modification or for any wrong information made on this modification.
